Masonic Education

Masonic Life.

The man who becomes a Mason immediately takes upon himself a greater obligation as a citizen, a husband, a father, and as a moral and upright person. He is accepted into Masonry only after he has voluntarily petitioned a lodge and has been carefully investigated as to his mental, moral and physical qualifications. He must have the capacity to love humanity and he must have the urge to grow morally and spiritually. The man must ever seek Masonry. Masonry is a great deal more interested in its strength through the strength of the individual than in numerical values. The Mason then is the recipient of the highest wisdom of the ages, and because of this truth more is expected of him. Privileges and opportunities create greater responsibilities.

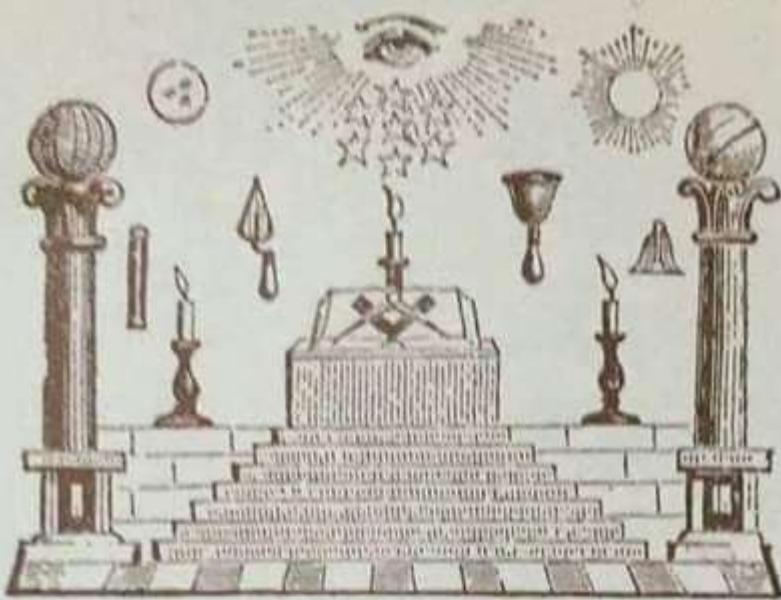

Squaring

The Lodge is squared four times during each Perambulation and therefore 12 times in all, being symbolical of testing the candidate in each of 12 constellations of Zodiac.

In other words, he must prove that he is in harmony in each of the material Universe before being considered as a fit person to the participation of higher mysteries.

12.constellations:

Aries, Taurus, Gemini, Cancer, Leo, Virgo, Libra, Scorpio, Sagittarius, Capricanus, Aquarius, Pisces.

BE AN ACTIVE MEMBER

Be an active member,
The kind that would be missed;
Don't be just contented
That your name is on the list.
Do attend the meetings
And mingle with the crowd;
Don't stay at home
And crab both long and loud.
Don't leave the work for just a few
And gripe about the clique.
And take time out to visit
A member who is sick.
There is quite a program scheduled
That means success, if done,
And it can be accomplished
With the help of everyone.
So attend the meetings regularly
And help with hand and heart,
Be an active member
And take an active part.
Think this over, Member
Are we right or are we wrong?
Be an active member,
Please don't just belong.
